GRAD 2019

It's still not too late to submit your pictures for the Grad PowerPoint presentation. I would like at least 3 pictures (baby, early childhood and a more current photo) from each student but you can always bring me more.

All photos will be returned as soon as possible.
Thank you,
Mrs. Povey

PRINCIPAL'S MESSAGE

Dear Parents:

I know it's early, but May the 4th be with you! After that nasty blast of winter weather last week, I'm hopeful that we're finally heading into some spring weather.

As the weather warms up, I would like to take this opportunity to remind students and parents about our dress code expectations. CCHS strives to provide a safe and caring environment for staff and students. We respect the rights and freedoms of everyone in an inclusive environment. As such, we encourage that all members of our school community wear attire that is both clean and modest. We encourage students to choose clothes that are not too revealing regardless of one's gender or gender identity. Our preference is that clothing covers all undergarments. Considering that weather can become quite warm and at times make classrooms uncomfortable, we understand that students will wear shorts and t-shirts or tanks. Please consider the school context when choosing what you wear. The suggestion is to consider school as your place of work and ask yourself if the outfit is appropriate.

Deciding on appropriate dress is a subjective and personal decision. CCHS's goal is to support the emotional well-being of all of its students and so we ask parents and students to make informed

decisions when deciding on appropriate dress for school. Students are expected to wear appropriate footwear at all times while in the school. Emergencies or drills may require students to be outside so students are to be prepared for those events. Students are asked to clean or remove muddy footwear when entering the school. We appreciate your cooperation and consideration.

Lastly, I would like to thank all of the parents and community members who came out to our Candidates' Forums in April. We had some really positive feedback from the candidates in terms of our students' behavior and maturity. We hope to see many of you at our Star Trek Tournament this weekend! I would also like to let all of our parents know that our next School Council Meeting is scheduled for Tuesday, May 14th at 5:30pm, and new members are always welcome.

Sincerely,
Leanne Hellman
