4. Correspondence

5. Old Business

1. Monster Smash Pancake breakfast update
Geri took notes. Started cooking at 6am, too much time in between. Fed 160-170, pancakes, juice boxes, oranges and sausages. Good reviews. Donna would like to thank all volunteers.

6. New Business

1. Spectators at sports events-Tonight is the last home game for girls volleyball, allowed parents of grade 12 players. Possibly having a proof of vaccination program, discussed by High School principles.
2. CHAT format-Fernanda asked if CHAT can be moved to the end of the day? 9B now has CHAT with Mrs. Watters, she can do extra work with them. Angie says with the 9A's she asks who needs a chrome book, always available. Teachers are finding a way around CHAT, they switch around to make sure students are utilizing this period.
3. Overview of school budget for the year. Needs/shortfalls?-Leanne has not yet had a meeting with Cindy to go over the budget.

7. Board Report-Lorelei introduced Louise as new trustee. Louise wants to say that she has been in Vulcan forever and taught at Prairie View and CCHS. She is here to listen and do her best, her mission is to keep children healthy, safe and give them the best education possible. Lorelei is the new Chair of the board of Trustees. They heard from Tom Hammer, who did an International report. Cancelled the 1 week Japanese students.

8. Principal Report-Covid updates, doing contact tracing through grade groups. Becoming familiar with Palliser's Admins procedure about OHS within schools.

All staff and volunteers need to provide proof of vaccination or negative covid test.
Tabling the budget for next month, struggling with getting extra EA hours.
Put together some strategies that families can try to be successful at studying.
Families in need-do have names.

Volleyball is winding down and Basketball is underway. Revisiting spectators in Building. Thanked volunteers.

PATS and Diplomas are going ahead, Diplomas will be worth 10% of grade not 30%.

Hawks Nest is up and running. High school students earning work experience through Lynn.

Thank you for the pancake breakfast. Was wonderful to feel somewhat normal.
Used Chromebooks to live stream games...

9. Teachers Report-Angie Seaman-Thank you for the pancake breakfast, first bit of normalcy we've had in a while. High School Girls put on a good game, got silver at Monster Smash. Junior High teams are off to Zones.

Remembrance Day will be during CHAT virtually. No school on the 11th or 12th. Time changes this weekend.

20/30 Phys-Ed has a lot of trips. Trying to plan overnight Ski trips to Kimberly and Fernie. Vaccination proof to ride lifts. For these trips to occur proof of vaccination needs to occur. Angie is looking at options where proof is not required.

Lori Gair-is Intrumereals able to go ahead? With volunteers it is too hard with supervision with how thin teachers are stretched. Once back to a common lunch break, it could go ahead.

10. Sport Council Report-Leanne said new uniforms for the Volleyball team have arrived, very exciting!

11. Next meeting date – Wednesday December 1 5:30pm

12. Adjournment 6:19pm

AGENDA

1. Call to Order 6:19pm

The Mission of our School Council is to foster the well-being and effectiveness of our school community and to enhance student learning.

2. Approval of Minutes Amber read the minutes. Donna seconded.

3. Additions to the Agenda

4. Treasurer's Report Fernanda read the Treasurer's report. Amber seconded.

5. Old Business

1. Fundraising

1. Box Card fundraiser \$33.00 per box. We as a fundraiser get \$11.00/box planning on running in the Spring.
2. Mixbook Photo company-calendars, photo books...get a coupon code would give you 30% off and they would give us back 20% of proceeds.
3. Other ideas-Geri, Pancake mix? P&H donated the mix and we sell it, get all proceeds from selling.

Fernanda's idea is to do Mixbook now in time for Christmas and Card box for the spring.

Feed back, liked both mixbook and box card ideas. Communicate What the fundraiser is for. We will go ahead with the mixbook Table the box cards and pancake mix until December.

2. List for Christmas Hampers-Fernanda will be in touch with Leanne.
3. Keep in touch with local Lions?-not asking Lion's again until we use the Lion's donation up.

6. New Business

1. Ideas for casino funds-large gap in physical activity coming from elementary school to high school. Ways to have some free play time. Get some hockey nets, have balls and sticks available. There has to be an adult present to supervise, which there are not any available with the split lunch hour. Louise Schmidt-does the adult on supervision need to be a teacher? Angie gives class credit hours to Phys-Ed 11/12 to run these programs. Not as appealing for the young adults to give up their time.
2. Casino Funds-next meeting bring back ideas as to what to spend the money on.
3. Christmas Dinner?-what are the possibilities of having a Christmas Dinner? We would have to keep cohorts separate, would have to manage it like they did with the pancake breakfast. Any volunteer

would have to be vaccinated or show a negative test. Might be more of a concern with people cooking the food in their homes prior to the dinner. Fernanda will do some looking into how this can be done.

6. Next meeting date – Same as Parent Council Meeting

7. Adjournment 6:57pm
