MEMORANDUM

Date: May 18, 2023

**To: Leanne Hellman
Principal, County Central High School**

**Fernanda Eisler
School Council Chairperson, County Central High School**

**John Seaman
President, Casino Chairperson, County Central High School Sports Council**

From: Dexter Durfey, Secretary Treasurer, Palliser School Division

After many meetings and considering what is most important for the students of the Vulcan schools, the administration of Palliser School Division has made the decision to make immediate adjustments to the fundraising efforts in the name of the schools.

Effective immediately:

County Central High School's principal will submit the appropriate forms and application to Alberta Gaming, Liquor and Cannabis (AGLC) to transfer future casinos to the Friends of County Central High School Society.

County Central High School Sports Council is ordered to cease and desist all future fundraising in the name of County Central High School.

It is expected that the Friends of County Central High School Society create a sports fundraising subcommittee to support extracurricular sports in the school.
