RE: CRIMINAL RECORD CHECKS/POLICE INFORMATION CHECKS FOR VOLUNTEERS

In accordance with Palliser Regional Schools Administrative Procedure 470, our school division requires parents, community volunteers, and volunteer supervisors to provide up-to-date criminal record checks (CRC)/police information checks (PIC) if they could be working independently with students, or if they will be involved in an overnight stay involving students.

_____ is a volunteer in our school district. We request that your law enforcement agency provide a CRC or PIC to this individual. Palliser Regional Schools participates in the VSPN program.

Our VOAN number is: **VSPN4828Ed0042**

Thank you for assisting us in providing a safe and caring environment for the students entrusted to our care.

Yours truly,

Philip Knafila

Principal County Central High School
