GRAD 2017

Calling all grade 12 students I know that it is only September but this last year will fly by and before you know it grad will be upon us, so my one request to all of you is that you please bring me some photos for the grad PowerPoint presentation. I would like at least 3 pictures (baby, early childhood and a more current photo) from each student but you can bring me more.

All photos will be returned as soon as possible.

Thank you,
Mrs. Povey

Thank you.

PRINCIPAL'S MESSAGE

Welcome back to school for all of our students at County Central High School. The new school year affords our students the opportunity to strive for greater educational achievements. Along the way, the staff at CCHS will support their growth and development as they become healthy and productive members of our society.

For those of you that may not know, my name is Daniel Grimes and I am the new principal of CCHS. Originally from Newfoundland, I have 14 years of administrative experience in the North West Territory, Alberta and Newfoundland. I grew up in a very small fishing community on an island just off the coast of Newfoundland. I attended an all grade school and my graduating class had only six students. Needless to say I am a "rural boy" and grew up in a hard working family. I believe my life lessons around perseverance, work ethic and a respect for what the land and ocean affords is similar to rural Albertans. I look forward to meeting and working with the people of the community as we work together to create a better future for our youth.

Most of you will know the staff here at CCHS but I would like to introduce two new additions to our school. Jason Booker will be teaching Social Studies and Health throughout grades 7, 8 and nine. David Egert is responsible for Social Studies in the high school. Paige Gibbon will be teaching junior high and high

school math and some science. Paige had previously filled a replacement here and has returned. Congratulations to our new teachers and I hope they have a great year!

Finally, I would like to thank the staff and students for the warm welcome I have received thus far. It has been a hectic start to the school year, but I look forward to settling in and getting to know everyone. The sporting season has begun and I know students are anxious to get involved. The music, art and drama programs will be building throughout the year and so I look forward to that. Most of all though, I look forward to my interactions with students. Remember I am here to support you. Have a great year everyone.

Daniel Grimes

COOKSON'S PLACE

Hello and "Welcome Back"! For those that are here for the first time I hope you enjoy CCHS as my sons did.

It is not what your school does for you — it is what you do for your school! You are only here for a short time, make it the absolute best time of your life.

Cookson's Place caters to the students and staff, providing a daily hot lunch option. Opening from 8:00-8:45 for coffees & hot chocolate to start your day and 11:45-12:30 for lunch. A percentage of our daily sales goes to support your parent council, so in fact you are supporting the activities and programs in your school.

We are cash sales but we do offer lunch punch cards for those that prefer. They are available in \$25 & \$50 increments. If you would like to purchase a lunch card please make cheques payable to Dave Cookson.

Weekly menu's are usually posted on Sunday nights on Facebook "Cooksons Place" and the school website.

Thank you for your support.
Dave Cookson
